Turnium Appoints Industry Veteran as VP of Global Strategy and Partnerships to Accelerate International Growth

January 5, 2026 – Vancouver, Canada **– Turnium Technology Group Inc. (TSXV: TTGI) (FSE: E48)** ("**Turnium**" or the "**Company**"), a global leader in Technology-as-a-Service (TaaS) and partner enablement services, is pleased to announce the appointment of Aldo G. Gallone as Vice President of Global Strategy and Partnerships.

Mr. Gallone brings over 35 years of leadership experience in the technology sector, with a proven track record of scaling sales organizations, developing strategic channel partnerships, and driving revenue growth across North America and Europe. His extensive background spans Cloud Computing, Cybersecurity, and Data Analytics, with senior leadership roles at major industry players including IBM, Scalar Decisions, Skytap, Sisense and GlassHouse Systems.

"We are thrilled to welcome Aldo to the Turnium executive team at this pivotal moment in our growth trajectory," said Doug Childress, Global CEO of Turnium. "Aldo is a 'catalytic builder' with a unique blend of corporate discipline and entrepreneurial agility. His experience in scaling recurring revenue models and his deep relationships within the global IT channel will be instrumental as we aggressively expand our partner ecosystem and bring our Technology-as-a-Service platform to new markets."

Prior to joining Turnium, Mr. Gallone served as Director of Cybersecurity Sales & Solutions at GlassHouse Systems, where he spearheaded a strategic overhaul that resulted in double-digit growth across all business lines. Previously, as Executive Vice President of Engineering and Services at Scalar Decisions, he was part of the executive team that doubled the business in two years, managing a 200+ person engineering team and integrating key acquisitions.

Mr. Gallone's career is also defined by his entrepreneurial success as Co-Founder and CEO of Visual Sports Systems, where he helped grow the company from inception to a successful exit via acquisition to private equity (North Castle Partners via Full Swing Golf). His deep understanding of the M&A landscape and corporate development will be a significant asset to Turnium's strategic planning.

"I am incredibly excited to join Turnium and work with a team that has built such a robust and scalable platform," said Mr. Gallone. "Turnium's white-label TaaS model solves a critical need for service providers and MSPs looking to own their connectivity and security stack. I look forward to leveraging my experience to build impactful global partnerships and drive significant value for our shareholders and partners."

About Turnium Technology Group Inc.

Turnium acquires companies that complement its Technology-as-a-Service (TaaS) strategy, integrates them to generate efficiencies, and delivers their solutions through a global channel partner program to customers worldwide. Turnium's mission is to provide IT providers with a complete, white-labelled portfolio of business technology solutions, enabling them to quickly add new services in response to customer demand.

In essence, Turnium is building a TaaS platform that incorporates all the services, platforms, and capabilities that ISPs, MSPs, IT Providers, VoIP/UCaaS, CCaaS, or Cloud Providers might need. Additionally, Turnium provides deployment resources, hardware, delivery, support, and marketing and sales enablement to help channel partners go to market quickly and deliver exceptional quality.

Turnium delivers secure, cost-effective, uninterrupted, and scalable global IT solutions to its channel partners and their end-customers—because “Connectivity Matters.”

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.

Forward-Looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain acts, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Such statements include, among others, statements with respect to the expected benefits of the appointment of Mr. Gallone and the Company's growth strategy, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company's current views and intentions with respect to future events, and current information available to the Company, and are subject to certain risks, uncertainties and assumptions.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Actual results and developments may differ materially from those contemplated by these statements. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
