

Turnium Technology Group Announces Marketing Agreement

November 11, 2025 – Vancouver, Canada – **Turnium Technology Group Inc. (TSX.V: TTGI) (FSE: E48)** ("TTGI" or "the Company"), a global leader in Technology-as-a-Service (TaaS) and partner enablement services, including an AI-powered prospecting and lead generation platform, is pleased to announce it has entered into a marketing agreement (the "Agreement") with Winning Media LLC. ("**Winning Media**").

Turnium has engaged Winning Media, based in Houston, Texas, to provide comprehensive digital media marketing campaigns for the Company. The services provided by Winning Media include digital media, marketing strategies, advertising, and awareness campaigns. The agreement is for an initial term of three (3) months starting on November 11, 2025 to February 6, 2026. Turnium will pay Winning Media an aggregate amount of USD\$100,000.

The Agreement is subject to TSX Venture Exchange acceptance. Winning Media and Turnium are not related parties, and Winning Media and its principals do not have any interest, directly or indirectly, in the Company or its securities, or any right or intent to acquire such an interest.

About Turnium Technology Group Inc.

Turnium Technology Group Inc. (TTGI) acquires companies that complement its Technology-as-a-Service (TaaS) strategy, integrates them to generate efficiencies, and delivers their solutions through a global channel partner program to customers worldwide. TTGI's mission is to provide IT providers with a complete, white-labelled portfolio of business technology solutions, enabling them to quickly add new services in response to customer demand.

In essence, Turnium is building a TaaS platform that incorporates all the services, platforms, and capabilities that ISPs, MSPs, IT Providers, VoIP/UCaaS, CCaaS, or Cloud Providers might need. Additionally, Turnium provides deployment resources, hardware, delivery, support, and marketing and sales enablement to help channel partners go to market quickly and deliver exceptional quality.

Turnium delivers secure, cost-effective, uninterrupted, and scalable global IT solutions to its channel partners and their end-customers—because "Connectivity Matters."

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.

FORWARD-LOOKING INFORMATION

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain acts, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information. Some of these risks are described under the "Caution on Forward-Looking Information" section and "Risk Factors" section of the MD&A. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Actual results and developments may differ materially from those contemplated by these statements. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
